Red Beard Shooting Solutions - Tactical Pistol & Rifle Course

This two day, 16-hour course has been designed to build upon the ITOA's basic Tactical Pistol & Rifle Course - providing officers with the opportunity to improve upon and enhance the tactical firearms skill sets they have already learned at the basic level. The focus of this program will be to provide officers with the knowledge and skills they will need to improve their firearms capabilities in high risk, critical incidents.

Officers attending the course should already possess basic Tactical Pistol / Rifle fundamental firearms handling and employment skills – THIS IS NOT A BASIC FIREARMS COURSE.

The course will take place entirely INDOORS. Providing an excellent opportunity to train & practice tactical firearms skill sets during the winter months.

GOALS & OBJECTIVES:

Enhance the officer's ability to perform Live Fire pistol and rifle techniques and tactics.
To allow students the opportunity to participate in realistic live fire drills that will enhance their capabilities to respond to Active Threat situations beyond that of the basic level.

COURSE PREREQUISITES:

Be proficient in performing live fire protocols and skill sets. Be proficient and familiar with the fundamental operation of the duty pistol and police tactical rifle.

Ammunition Requirement: 500 Rds. Pistol / 500 Rds. Rifle

(Ammo requirements are minimums, more is preferred)
